PRAYER MINISTRY  
&  
POTTERY

*"We saw his star in the east and have come to worship him."* Matthew 2:2

About 20 years ago, Dan was doing stained glass as a hobby. He made these free-standing images which have become part of our Christmas tradition. Join us in this giving season as we come together to worship Jesus Christ. Love and Blessings,

*Dan & Ann*

## Important Message

**We have a problem. Will you help?**  
James 4:2b says, "You have not, because you ask not."

We are asking for people to partner with us in ministry on a **monthly basis**. In the month of November, we ministered for a total of about 80 hours. While we encourage each person who comes to prayerfully consider what they can do to make a financial contribution toward their time in prayer ministry, not everyone can afford the suggested amount. When people need ministry the most, they usually can afford it the least. For example, Ann is working with a woman who is in the midst of a divorce and has had to declare bankruptcy. We never turn anyone away because of their inability to make a contribution, but we need people to partner with us both through prayer and financial contributions if we are going to be able to continue in ministry. Psalm 63:1 says, "O God, Thou art my God; I shall seek The earnestly;" Currently there are five who support our ministry each month. Would you seek the face of the Lord and ask if He would have you join with us in His Kingdom work?
